## Sonesta ES Suites Baton Rouge

There are opportunities for you to present your work at these meetings. We would like to hear about the research you are working on and it doesn't have to be completed research. If you want to present something, please send a title and 100-word abstract to Tyler Mark tyler.mark@uky.edu by February 13th. We would like to fit as many of these as possible, so if we get more presentations than we can handle, we may ask some to bring a poster.
