

USSES non Experiment Station Participants

Jerry Oglesby, SAS Institute

jerry.oglesby@sas.com

The following are all current or former USSES participants who now do not have Experiment Station appointments but are still working with Experiment Station faculty on statistical issues. I do expect there will be others who will want to join the project.

Mark Payton, Oklahoma State University

mark.payton@okstate.edu

Pat Gerard, Clemson University

pgerard@clemson.edu

Hoke Hill Jr., Clemson University

Hshell@clemson.edu

Julia Sharp, Clemson University

jsharp@clemson.edu

Billy Bridges, Clemson University

wbridges@clemson.edu

Kevin McCarter, Louisiana State University

mccarter@lsu.edu
