

Table 1. Priorities for Cover Crop Research as Identified by Participants in the Southern Region Cover Crops Conference

Research Priority	Times Selected
Establishment, Termination & Management of Residues	63
Varieties & Mixtures of Cover Crops	63
Nutrient and Fertility Management	55
Cover Crops for Weed Control	46
Economics of Cover Crop Use	45
Soil Biology	43
Weed Control	36
Grazing Cover Crops	25
Soil Moisture Management	22
Beneficial Insects, Pollinators & Pest Control	19
