Notes from the project business meeting:

February 23, 2012 (4:20 PM)

1) W2133 Officers

A. President

Kathleen Bell (University of Maine, kpbell@maine.edu), acting Vice President of W2133, will assume Presidential Duties at the close of the Business Meeting.

B. Vice President and Secretary

Robert Hearne (North Dakota State University, Robert.Hearne@ndsu.edu) and Daniel Petrolia (Mississippi State University, petrolia@agecon.msstate.edu) were nominated to serve respectively as Vice President and Secretary of W2133.

W2133 members unanimously expressed their support of these nominees.

2) Recharter Update

The W2133 Recharter Proposal has been submitted to USDA and is currently under review.

Don Snyder (USDA) informed the membership that initial feedback on the proposal is likely to come in March, with a final decision expected in July 2012.

The membership expressed sincere and generous thanks to outgoing President Kim Rollins for leading the rechartering effort. The membership specifically requested that Don Snyder send a letter informing Kim's Dean of her outstanding service to the project.

3) Venue Choice for Next Year

Kathleen Bell will select the location for next year's annual conference. She asked the membership for suggestions. Suggestions included partnering with the Don Dillman Group, reaching out to Maureen from the Lake Tahoe Research Group, and requests for specific cities (Tucson, Austin, and San Antonio). Kathleen will do additional research and email possible sites to the membership for feedback.

4) Other Business

A. Annual Report is due 60 days from the Annual Conference (approximately April 19).

B. Interest in organizing and distributing recent Proceedings (2011, 2012)

Notes submitted by Kathleen P. Bell.
