To: Technical Committee and collaborators
Multistate project NE-1834
Genetic Bases for resistance and immunity to avian diseases

The Multistate project NE-1334 Technical committee will meet September 28 – September 29, 2019 at Poultry Science, 110 Cedar St, University of Georgia, Athens, GA 30602.

Dr. Lisa Bielke (bielke.1@osu.edu) is the meeting chair, according to my records. Dr. Bielke will set the order of presentation.

Two blocks of rooms have been reserved at Athens, GA. Both sites have the same \$104/night room price. Please contact the hotel of your choice directly referring to the block of rooms under NE1834.

University of Georgia Center for Continuing Education & Hotel
1197 S Lumpkin St, Athens, GA 30602. <https://www.hotel.uga.edu/>

The meeting will be held on campus at the **Poultry Sciences Building at 110 Cedar St, Athens**. We will meet Saturday, September 28 from 8:00 to 5:00 p.m. Then, the group will reconvene at 6:00 p.m. for Dinner. The meeting will continue Sunday from 8:00 until all reports are completed.

The registration fees will be 60\$ and will cover Saturday breakfast, lunch, and dinner and Sunday breakfast and lunch.

The nearest airport is Atlanta (ATL). Athens is 70 miles north of Atlanta. Groome transportation is a shuttle service that runs between Athens and Atlanta (<https://groometransportation.com/athens/>). I highly recommend booking the shuttle in advance. If you are comfortable driving in Atlanta traffic, Rental car is an attractive option.

Ramesh Selvaraj, Associate Professor. Cell 3304759230; selvaraj@uga.edu
