

Dear Members and Affiliates of NC 1183, Mycotoxins: Biosecurity, Food Safety and Biofuels Byproducts,

The next meeting of NC1183, Mycotoxins: Biosecurity, Food Safety and Biofuels Byproducts, will be held on **Thursday, September 12, 2019** at Virginia Tech in Blacksburg, Virginia.

The goals of this meeting are to (1) provide important updates on mycotoxin research, (2) identify top priorities for mycotoxin research, and (3) develop and construct a new 5-year plan.

The tentative agenda and details about the meeting site (airport, ground transportation, housing, things to do in the area, etc.) follow this note.

There are no registration fees for the meeting. Please click on the following link **before 5pm EST August 23, 2019** to register your participation in the meeting:

Location

The meeting will be held in the Crescent Room at the Corporate Research Center:

2000 Kraft Drive, Suite 2100

<https://goo.gl/maps/aLx7FeFhD142>

Airport

Best to fly into Roanoke (ROA). Drive time to Blacksburg is about 45 minutes. Hotels in Blacksburg do not provide a shuttle service to the airport. You can rent a car at the airport and drive to Blacksburg. You can take a bus from ROA to Blacksburg (<http://smartwaybus.com/smartway.html>). A taxi/Uber will run you about \$60-75 one way.

Parking

No permits are needed to park vehicles in the lots around the building where the meeting will be held.

Hotels near Virginia Tech. Request federal rates.
