

73rd Northeastern Corn Improvement Conference

February 20 & 21, 2020

Nationwide & Ohio Farm Bureau 4-H Center
The Ohio State University, Columbus, Ohio

Colleagues,

Plan on joining us for the 73rd Northeastern Corn Improvement Conference (NECIC) on February 20-21, 2020. The conference will be held at the Nationwide & Ohio Farm Bureau 4-H Center at The Ohio State University in Columbus, OH. Housing will be available at the Springhill Suites near the OSU campus. The conference will begin at 8 am on February 20 and end at noon on February 21. This will be an excellent opportunity to network on key research issues related to corn improvement in the Northeast US and Canada.

Conference Registration

Registration fees cover the conference, plus two continental breakfasts and lunch on the 20th. Note to Canadian participants: all fees are in US dollars. If you would prefer to pay the registration with a check, please complete the Alternative Registration form below and make the check payable to The Ohio State University in US funds. Please note "2020 NECIC" on the memo line of the check.

Early Registration by January 31, 2020

Regular: \$100.00 US

Graduate Student: \$ 60.00 US

Late Registration (after February 1, 2020)

Regular: February \$120.00

Graduate Student: \$75.00 US

Note: Registration is running through CVENT this year, which differs than in years past. The link for registration can be found here: <http://www.cvent.com/d/0hql62>. Use the tabs at the top to navigate to pages hosting information on paper submission, hotel block information, and directions to the meeting location. If using a mobile device, you can find the mobile friendly page here: <http://www.cvent.com/d/0hql62?dvce=2>.

Hotel Rooms

A block of rooms has been reserved for our conference attendees at the Springhill Suites in Columbus (<https://www.marriott.com/event-reservations/reservation-link.mi?id=1564072357116&key=GRP&app=resvlink>). Room rates are \$112 and will be held at this price until Jan. 19. The address is 1421 Olentangy River Road, Columbus, OH 43212 (1.8 miles from conference center).

Speaker/Paper Form

Plan to present your research or industry update on topics related to corn improvement and production. **Attached is the Speaker/Paper submission Form** which you will use to submit the title of your presentation. Presentations may include topics in corn breeding, genetics, plant pathology, entomology, agronomy, physiology, biotechnology, etc.

Please return the speaker/presenter form no later than January 10 to Alex Lindsey (lindsey.227@osu.edu)

Feel free to forward this message to others who may be interested.

Thank you.

Alex Lindsey, 2020 Host, NECIC
