Monday, August 8
LOCATION: AgSci 219, University of Hawai'i at Mānoa

- 8:30 am Welcome, Introductions, CHL program evolution, CHL intervention main effects, CHL FS Grant – Rachel
Objective: To reconnect the CHL team and welcome and orient new members and partners
- 10:00 am Break
- 10:15 am CHL FS statistical model building – Lynne
Objective: To describe the CHL food system research plan
- 11:15 am CHL Center FS Training program– Marie
Objective: To introduce CHL FS Training (CHL FST) program, Coordinator and Trainees and describe the training program plan
- 11:45 am CHL Center Food System Outreach Group (CHL FSO)– Monica
Objective: To describe the CHL FSO plan
- 12:15 pm Lunch (On Your Own) & Walk Outside
- 1:30 pm CHL Center Food System Evaluation Plan - Karen
Objective: To describe the various ways the CHL FS grant will be evaluated
- 2:00 pm Introduction CHL FS computational model building– Peter
Objective: To introduce the team to system dynamics and computational modeling, community based system dynamics, and Claire, the Core Modeling Team (CMT) and role of group model building in the system research plan
- 3:45 pm Revisit CHL Core Values and Guidelines
Objective: To affirm the relevance of the CHL Core Values and Guidelines
- 4:15PM Closing Reflections, and Wrap-up (+/Delta) – Jean and Karen
- 4:30 pm Adjourn

2022 CHL Center Food System/CHLN Multi-State Annual Meeting Agenda

CHL Center Food System/ CHLN Multi-State
Annual Meeting
Tuesday, August 9
LOCATION: AgSci 219, University of Hawai'i at Mānoa

- 8:30 am Welcome and Agenda Review
- 8:45 am Panel on context for the CHL food systems model - Ashley McGuigan (agroforests and nutrition in Pacific food systems), Melanie Hingle (baseline CHL food security), Ashley Yamanaka (baseline CHL CAT), Doug Taren (sugar, obesity and AN in CHL), Jean Butel (CHL Food Cost)
Objective: To present research to provide context for the CHL FS model
- 10:45 am Morning Break
- 11:00 am Building CHL food systems model - CHL Diet quality – Yurii & Rica
Objective: To report progress on CHL Diet quality analyses, and lay the groundwork for next steps
- 12:00 pm Lunch (On Your Own) & Walk Outside
- 1:15 pm Regional group model building workshop training—Peter
Objective: To build capacity for planning and facilitating regional in-person and online group model building works
- 4:15 pm Closing Reflections, Wednesday agenda, & Wrap Up (+/Delta) - Jean and Karen
- 4:30 pm Adjourn

2022 CHL Center Food System/CHLN Multi-State Annual Meeting Agenda

CHL Center Food System/ CHLN Multi-State
Annual Meeting
Wednesday, August 10
LOCATION: AgSci 219, University of Hawai'i at Mānoa

- 8:30 am CHLN Welcome and Agenda Review
- 8:45 am Overview of Multi-State Projects - Helen Chipman
- 9:00 am CHLN Administrator Update - Walter Bowen
- 9:15 am CHLN- sub-group updates- website and photo gallery
- 10:30 am Field Trip [Note: location and time TBD]

DRAFT

CHL Center Food System/ CHLN Multi-State
Annual Meeting
Thursday, August 11
LOCATION: AgSci 219, University of Hawai'i at Mānoa

- 8:30 am Welcome and Agenda Review
- 9:00 am CHLN- Training planning evaluation discussion
- 10:00 am Morning Break
- 10:45 am CHLN monitoring utilizing the EFNEP data
- 12:00 pm Lunch (On Your Own) & Walk Outside
- 1:15 pm Group Model Building demonstration (Part 1, system conceptualization)—
Peter and Claire
- 4:15 pm Closing Reflections, Friday agenda, & Wrap Up (+/Delta) - Jean and Monica
- 4:30 pm Adjourn

2022 CHL Center Food System/CHLN Multi-State Annual Meeting Agenda

CHL Center Food System/ CHLN Multi-State
Annual Meeting
Friday, August 12
LOCATION: AgSci 219, University of Hawai'i at Mānoa

- 8:30 am Welcome and Agenda Review
- 9:00 am CHLN Year 2 planning
- 10:00 am Morning Break
- 10:15 am Group Model Building demonstration (Part 2, model reflection)—Peter and Claire
- 12:00 pm Lunch (On Your Own) & Walk Outside
- 1:15 pm Next Steps – Jurisdiction Group Model Building Claire and Peter
- 2:15 pm Next Steps- CHL Center Rachel and Jean
- 2:45 pm Closing Reflections & Wrap Up (+/Delta) Monica
- 3:00 pm Adjourn
