National Institute of Food and Agriculture

September 14, 2010

Director Beverly Durgan
Minnesota – University of Minnesota
240 Coffey Hall
1420 Eckles Avenue
St. Paul, MN 55108

Dear Director Durgan:

The Executive Director on behalf of the Regional Directors Association has RECOMMENDED APPROVAL of the following MRF project NC-1183 – Mycotoxins: Biosecurity, Food Safety and Biofuels Byproducts (NC129, NC1025) beginning October 01, 2010 through September 30, 2015.

NIFA concurs with the recommendation of the Executive Director and has APPROVED this project. A copy of the approved MRF project outline will be available to all participating stations and agencies via the National Information Management and Support System.

Sincerely

A handwritten signature in black ink that reads "Barbara A. Hewitt".

Accountability and Reporting Leader
for Dr. Ralph Otto
Associate Administrator, NIFA
