

United States Department of Agriculture

National Institute of Food and Agriculture

September 14, 2010

Director Deb Hamernik  
Nebraska – University of Nebraska  
Agricultural Experiment Station  
207 Agricultural Hall  
Lincoln, 68583–0704

Dear Director Hamernik:

The Executive Director on behalf of the Regional Directors Association has RECOMMENDED APPROVAL of the following MRF project NC–1184 – Molecular Mechanisms Regulating Skeletal Muscle Growth and Differentiation beginning October 01, 2010 through September 30, 2015.

NIFA concurs with the recommendation of the Executive Director and has APPROVED this project. A copy of the approved MRF project outline will be available to all participating stations and agencies via the National Information Management and Support System.

Sincerely

A handwritten signature in black ink that reads "Barbara A. Hewitt".

Accountability and Reporting Leader  
for Dr. Ralph Otto  
Associate Administrator, NIFA
