

United States Department of Agriculture

National Institute of Food and Agriculture

June 29, 2010

Director Clarence Watson
Oklahoma – Oklahoma State University
139 Agricultural Hall

Stillwater, OK 74078

Dear Director Watson:

The Executive Director on behalf of the Regional Directors Association has RECOMMENDED APPROVAL of the following MRF project S-1049 – Integrated Management of Pecan Arthropod Pests in the Southern U.S. beginning October 01, 2010 through September 30, 2015.

NIFA concurs with the recommendation of the Executive Director and has APPROVED this project. A copy of the approved MRF project outline will be available to all participating stations and agencies via the National Information Management and Support System.

Sincerely

A handwritten signature in black ink that reads "Barbara A. Hewitt".

Accountability and Reporting Leader
for Dr. Ralph Otto
Associate Administrator, NIFA
