Dear Director Sommers:

The Executive Director on behalf of the Regional Directors Association has RECOMMENDED APPROVAL of the following MRF project W–2082 – Evaluating the Physical and Biological Availability of Pesticides and Contaminants in Agricultural Ecosystems (from W1082) beginning October 01, 2010 through September 30, 2015. NIFA concurs with the recommendation of the Executive Director and has APPROVED this project. A copy of the approved MRF project outline will be available to all participating stations and agencies via the National Information Management and Support System.

Sincerely

A handwritten signature in black ink that reads "Barbara A. Hewitt".
