National Institute of Food and Agriculture

August 15, 2011

Director Steven G. Pueppke
Michigan – Michigan State University
Agricultural Experiment Station
109 Agriculture Hall
East Lansing, 48824–1039

Dear Director Pueppke:

The Executive Director on behalf of the Regional Directors Association has RECOMMENDED APPROVAL of the following MRF project NC–1197 – Practical Management of Nematodes on Corn, Soybeans and Other Crops of Regional Importance beginning October 01, 2011 through September 30, 2016.

NIFA concurs with the recommendation of the Executive Director and has APPROVED this project. A copy of the approved MRF project outline will be available to all participating stations and agencies via the National Information Management and Support System.

Sincerely

A handwritten signature in black ink that reads "Barbara A. Hewitt".

Accountability and Reporting Leader
for Meryl Broussard
Deputy Director, NIFA
