Director H. Michael Harrington
Western Association of Agricultural Experiment Station Directors
204 University Square, Campus Delivery 4040
Colorado State University
Fort Collins, 80523

Dear Director Harrington:

The Executive Director on behalf of the Regional Directors Association has RECOMMENDED APPROVAL of the following MRF project W-3122 – Beneficial and Adverse Effects of Natural Chemicals on Human Health and Food Safety beginning October 01, 2012 through September 30, 2017.

NIFA concurs with the recommendation of the Executive Director and has APPROVED this project. A copy of the approved MRF project outline will be available to all participating stations and agencies via the National Information Management and Support System.

Sincerely

A handwritten signature in black ink that reads "Barbara A. Hewitt".

Accountability and Reporting Leader
