National Institute of Food and Agriculture

December 27, 2012

Director Harald Scherm  
Georgia – University of Georgia  
109 Conner Hall

Athens, GA 30602

Dear Director Scherm:

The Executive Director on behalf of the Regional Directors Association has RECOMMENDED APPROVAL of the following MRF project S-1053 – Ecological and genetic diversity of soilborne pathogens and indigenous microflora beginning November 01, 2012 through September 30, 2017.

NIFA concurs with the recommendation of the Executive Director and has APPROVED this project. A copy of the approved MRF project outline will be available to all participating stations and agencies via the National Information Management and Support System.

Sincerely

A handwritten signature in black ink that reads "Barbara A. Hewitt".

Accountability and Reporting Leader  
for Meryl Broussard  
Deputy Director, NIFA
