Director Mark Rieger
Delaware – University of Delaware
113 Townsend Hall

Newark, 19716

Dear Director Rieger:

The Executive Director on behalf of the Regional Directors Association has **RECOMMENDED APPROVAL** of the following MRF project NE-1334 – Genetic Bases for Resistance and Immunity to Avian Diseases beginning October 01, 2013 through September 30, 2018.

NIFA concurs with the recommendation of the Executive Director and has **APPROVED** this project. A copy of the approved MRF project outline will be available to all participating stations and agencies via the National Information Management and Support System.

Sincerely

A handwritten signature in black ink that reads "Barbara A. Hewitt".

Accountability and Reporting Leader
for Meryl Broussard
Deputy Director, NIFA
