Director Ronald Lacewell
Texas AgriLife Research
Administration Building, Suite 113
2142 TAMU
College Station, TX 77843

Dear Director Lacewell:

The Executive Director on behalf of the Regional Directors Association has RECOMMENDED APPROVAL of the following MRF project S-1032 – Animal Production Systems: Synthesis of Methods to Determine Triple Bottom Line Sustainability from Findings of Reductionist Research beginning October 01, 2013 through September 30, 2018.

NIFA concurs with the recommendation of the Executive Director and has APPROVED this project. A copy of the approved MRF project outline will be available to all participating stations and agencies via the National Information Management and Support System.

Sincerely

A handwritten signature in black ink that reads "Barbara A. Hewitt".

Accountability and Reporting Leader
for Meryl Broussard
Deputy Director, NIFA
