

United States Department  
of Agriculture

National Institute of Food  
and Agriculture

November 05, 2014

Director Gary Pierzynski  
Kansas - Kansas State university  
Agriculture Experiment Station  
Waters Hall  
Manhattan, 66506-4008

Dear Director Pierzynski:

The Executive Director on behalf of the Regional Directors Association has RECOMMENDED APPROVAL of the following MRF project NC-1178 - Impacts of Crop Residue Removal for Biofuel on Soils beginning October 01, 2014 through September 30, 2019.

NIFA concurs with the recommendation of the Executive Director and has APPROVED this project. A copy of the approved MRF project outline will be available to all participating stations and agencies via the National Information Management and Support System.

Sincerely

A handwritten signature in black ink that reads "Barbara A. Hewitt".

Accountability and Reporting Leader  
for Meryl Broussard  
Deputy Director, NIFA
