Dear Director Harrington

The Executive Director on behalf of the Regional Directors Association has RECOMMENDED APPROVAL of the following MRF project W-1190 – Interfacing technological, economic, and institutional principles for managing inter-sector mobilization of water beginning October 01, 2004 through September 30, 2009. CSREES concurs with the recommendation of the Executive Director and has APPROVED this project. A copy of the approved MRF project outline will be available to all participating stations and agencies via the National Information Management and Support System.

Sincerely

A handwritten signature in cursive script that reads "Cheryl J. Dros".
