Stillwater, OK 74078

Dear Director Watson:

The Executive Director on behalf of the Regional Directors Association has RECOMMENDED APPROVAL of the following MRF project S-1036 – Genetic improvement approaches to sustained, profitable cotton production in the United States beginning November 01, 2007 through September 30, 2012.

CSREES concurs with the recommendation of the Executive Director and has APPROVED this project. A copy of the approved MRF project outline will be available to all participating stations and agencies via the National Information Management and Support System.

Sincerely

A handwritten signature in cursive script, appearing to read "Barbara A. Hewitt".
