Dear Directors:

The Executive Director on behalf of the Regional Directors Association has **Approved** of the following MRF project:

NE1938: Carbon Dynamics and Hydromorphology in Depressional Wetland Systems

This project's approval extends from 10/01/2019 through 09/30/2024. NIFA concurs with the recommendation of the Executive Director and has Approved this project. A copy of the approved MRF project outline will be available to all participating stations and agencies via the [National Information Management and Support System](#).

Sincerely,

Kristen Boyd
Accountability and Reporting Leader
