Dear Directors:

The Executive Director on behalf of the Regional Directors Association has **Approved** of the following MRF project:

S1086: Enhancing sustainability of beef cattle production in Southern and Central US through genetic improvement

This project's approval extends from 10/01/2019 through 09/30/2024. NIFA concurs with the recommendation of the Executive Director and has Approved this project. A copy of the approved MRF project outline will be available to all participating stations and agencies via the [National Information Management and Support System](#)

Sincerely,

A handwritten signature in black ink, appearing to read "Robert Green". The signature is fluid and cursive, with a large initial "R" and "G".

Robert Green
Accountability and Reporting Leader
