

10/07/2020

Dear Directors:

The Executive Director on behalf of the Regional Directors Association has **Approved** of the following MRF project:

NRSP6: The US Potato Genebank: Acquisition, Classification, Preservation, Evaluation and Distribution of Potato (Solanum) Germplasm

This project's approval extends from 10/01/2020 through 09/30/2021. NIFA concurs with the recommendation of the Executive Director and has Approved this project. A copy of the approved MRF project outline will be available to all participating stations and agencies via the [National Information Management and Support System](#).

Sincerely,
