Dear Directors:

The Executive Director on behalf of the Regional Directors Association has **Approved** of the
following MRF project:

S1090: AI in Agroecosystems: Big Data and Smart Technology-Driven Sustainable Production

This project's approval extends from 10/01/2021 through 09/30/2026. NIFA concurs with the
recommendation of the Executive Director and has Approved this project. A copy of the approved
MRF project outline will be available to all participating stations and agencies via the National
Information Management and Support System.

Sincerely,

Michael Fitzner
Accountability and Reporting Leader
