Dear Director Buhler:

The Executive Director on behalf of the Regional Directors Association has **RECOMMENDED EXTENSION** of MRF project NC-1026 – Characterize Weed Population Dynamics for Improved Long-Term Weed Management Decision Making (NC202) to September 30, 2011.

CSREES concurs with the recommendation of the Executive Director and has **APPROVED** this extension. All contributing projects are automatically extended to September 30, 2011. We would appreciate your assistance in notifying all non-SAES participants of this action.

Sincerely
